

Explore the fascinating world of life within the Cobble Beach Tidepools at Yaquina Head Outstanding Natural Area. The Tidepool Discovery Times listed below are estimates of when the tidepool life will be exposed. Weather and the height of the surf can significantly effect these times. Thus, plan your visit near the middle of the listed timeframes. **NOTE:** As we get into autumn, please be extra watchful around all beaches. This time of year, waves can be unpredictable in both size and frequency. *Never turn you back on the ocean!*
